WIRA - 644

Italy 1938

29 May 1952.

To : Washington.
From : **DEVA X HAFER**
Subject : **Planned Meeting with Vanoa MIHAJLOV**.
References : **2790, Kapok 1984 (WIRA-624), D 2904**
Source : **DECADAL**

1. Up to 21 May 1952, date of departure from Rome for Austria, Subject had not had his planned meeting with MIHAJLOV (see 1st Reference). If such a meeting is desired by the latter, Subject will be informed of place and date by Mentor COKU who thus appears in a new role, that of Subject's go-between in a highly sensitive undertaking.
2. Subject, despite his doubts as to **BOKUL's** honesty as a broker for foreign IS principals (see 2nd Reference), remarks that "COKU is completely reliable as far as his responsibilities to the 2nd League of Priarand is concerned."
3. If Headquarters's approval is granted for the requested Istanbul-Rome transfer of Subject's funds (see 3rd Reference), the latter will return to Rome. It is hoped that further information will be forthcoming at that time.
4. Subject remarks that if AIS is sponsoring MIHAJLOV's current activities, "it could not have chosen a better man for the purpose".
